EXPERIENCE

An Introduction To C Standard Libraries Book (First Volume)— *Author*

Jun 2024

Writing A Book About C Standard Libraries In Persian Language For The First Time.

Supervisor Of RoboMech(Robotics And Mechatronics Research Laboratory) — *Supervisor*

Dec 2023 - Jul 2024

RoboMech Is A Research Laboratory In The Enghelab-e Eslami Technical And Vocational University That Works On Autonomous Robotics And Mechatronics Systems

Tutoring — *Teacher*

Sep 2021 - Present

Private Tutoring To University Students About Every Things In Computer Science

Zendeiad Mosa Ranjbar Technical And Vocational College, Qaemshahr—*Teacher*

Sep 2021 - May 2022

Teaching C, C++ And Arduino Boards Programming To Students Of Mechatronics And Electronics.

OMCOM, Qaemshahr — *Computers And Embedded Systems Programmer*

May 2020 - Sep 2021

Programming Web Applications With Python, Django, MySQL And Programming Embedded Systems Based On PIC And DSPIC Microcontrollers With C And C++ Programming Languages

SKILLS

C Programming Language

C++ Programming Language

Python Programming Language

C Standard Libraries

C++ Standard Libraries

C++ Standard Templates Libraries

Python Standard Libraries

Git , Github , Gilab

MicroPython Platform

Arduino Platform

Raspberry Pi Platform

AVR Microcontrollers

ESP Microcontrollers

SIM Microcontrollers

Computer Science

Mechatronic Science

Robotic Science

EDUCATION

Mohajer Technical And Vocational University, Isfahan— *Bachelor Degree*

Sep 2024 - Jul 2026

Mechatronics Engineering

Enghelab Eslami Technical And Vocational University, Tehran — *Associate Degree*

Sep 2022 - Jul 2024

Industrial Mechatronics

Zendeiad Mosa Ranjbar Technical And Vocational College, Qaemshahr — *Diploma Degree*

Sep 2019 - May 2022

Mechatronics

LANGUAGES

Persian, English
